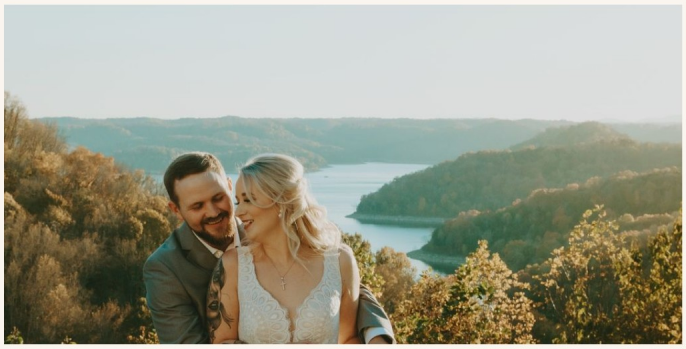
A PRIVATE WEDDING ESTATE

Welcome to Leeric Lodge

Nestled on 20 private acres overlooking Center Hill Lake and the Tennessee mountains, Leeric Lodge offers an extraordinary setting for destination weddings, intimate celebrations, and unforgettable weddings.

Unlike traditional vacation rentals, Leeric Lodge is a dedicated wedding estate where breathtaking scenery, purpose-designed event spaces, overnight accommodations, and an experienced on-site hospitality team come together to create an exceptional celebration.



The Leeric Lodge Hospitality Difference

At Leeric Lodge, you're not simply renting a home and figuring out how to turn it into a wedding estate. You're reserving a private wedding estate where the celebration has already been thoughtfully considered.

Our on-site hospitality team handles the included estate setup, transitions, and breakdown, allowing couples and their loved ones to spend more time enjoying the experience and less time managing the logistics.

From the first gathering to the final farewell, Leeric Lodge is designed to make wedding weekends feel relaxed, beautifully coordinated, and truly memorable.

What Makes Us Unique

Two teams on your wedding day and during your stay: our team welcomes and guides you and your guests from the moment you arrive to the time that you leave, and your vendor team handles design and setup.

A proven system built from years of real weddings: a welcome packet, our wedding concierge, and a preferred vendors list, so out-of-state couples don't have to search social media for local, trusted professional vendors.

Every wedding is part of something bigger. Each month, a portion of our weddings supports a cause on our heart.
